Guante - Brass Kings

Grant Hart of Husker Du

"in the last ten years wages in retail cleaning have gone down and workload has increased. We will continue to struggle until we achieve fair wages and working conditions for all workers who clean retail stores."

For nearly two years, retail cleaning workers with the Centro de Trabajadores Unidos en la Lucha (CTUL) have been organizing for better wages and working conditions. Join workers in the struggle for fair wages and working conditions.

For more information, see: www.ctul.net
or call 612-332-0663.
